Message from the *Principal*

Dear Parents,

On behalf of the teachers and staff, I am very pleased to welcome you to Greenviiew Islamic International School. We are looking forward to a productive relationship with you to ensure your children can achieve their highest potential. We recognize that in order to be successful in school, the children need support from both, the home and school.

We know a strong partnership with you will make a great difference in your child's education. We share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities.

We believe that it is critically important your children's educational experience that they realize the significance of a positive, healthy relationship between their parents and the School, as it will provide them with a sense of security and a foundation for excellence in their studies.

Regards and wassalam,

Principal

VISION

To provide students with high quality educational opportunities that will prepare them for their future.

MISSION

To establish and sustain a private Islamic International School whose brand will become synonymous with the highest quality and standard of learning and teaching to nurture students who are successful, disciplined and socially responsible global citizens.

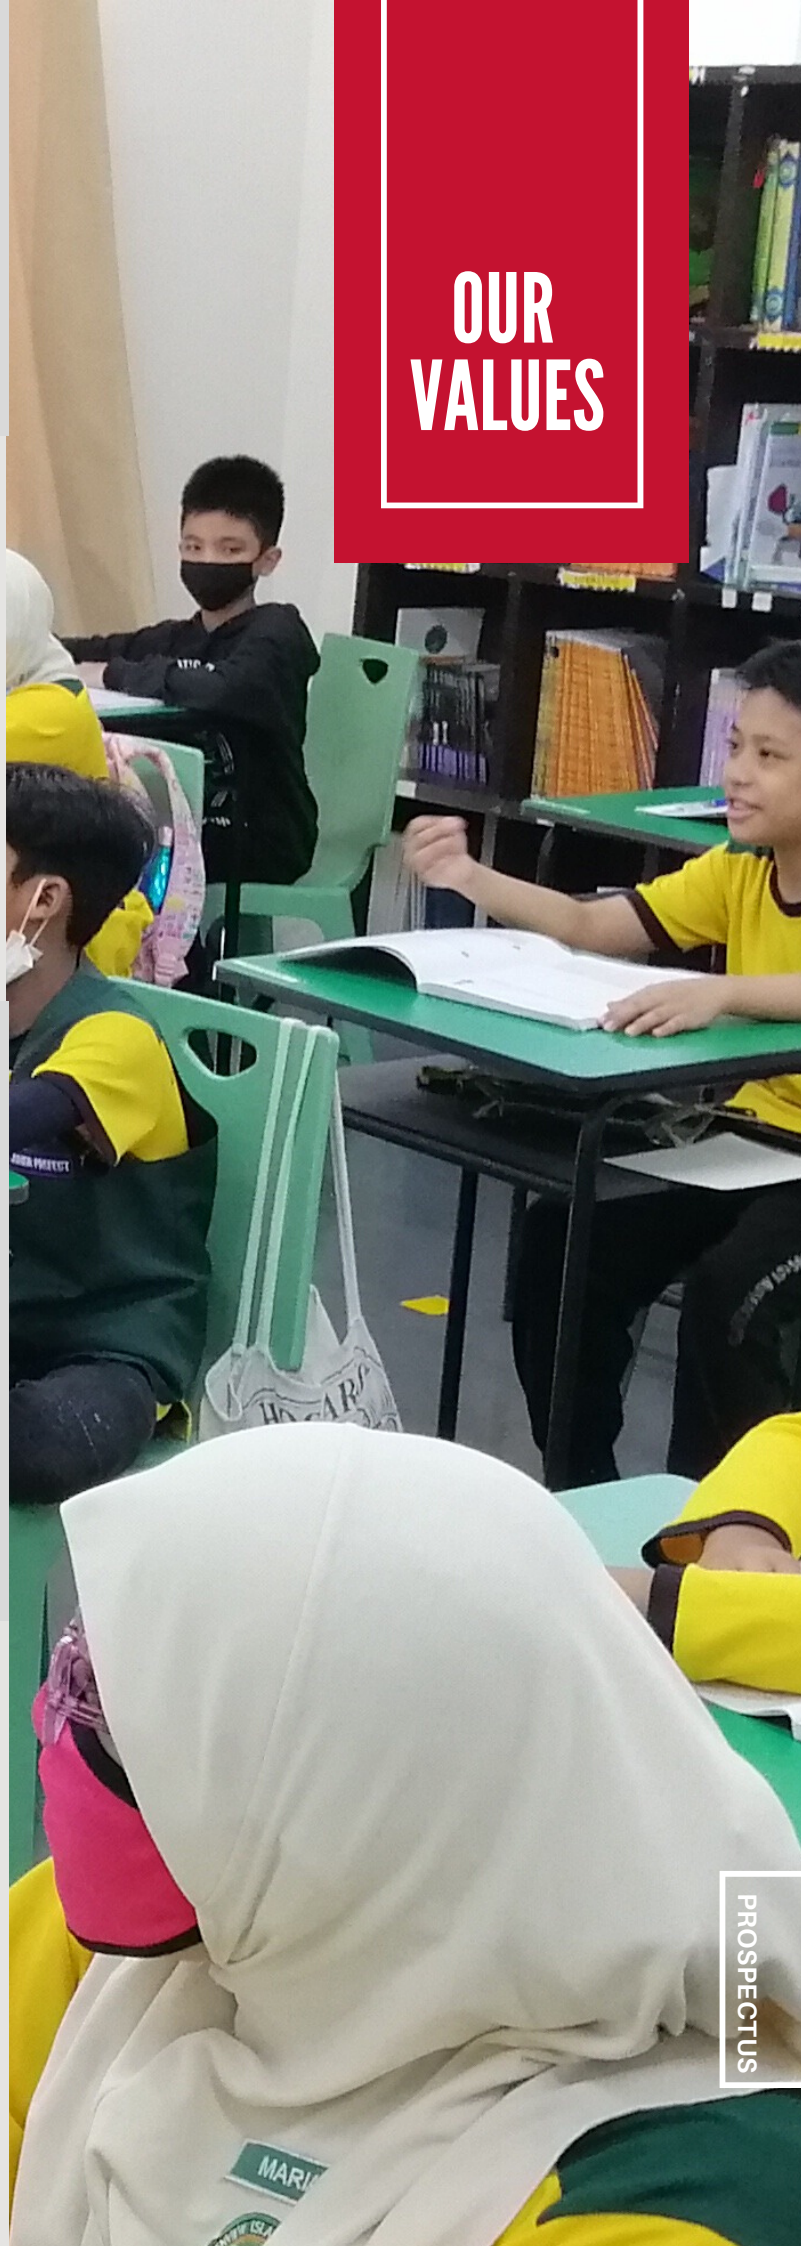

OBJECTIVES

- To prepare students for their future by developing the capabilities they need to compete in a competitive global market.
- To produce good practicing Muslims who love the Religion and live according to high ethical values defined by Islam.
- To produce progressive citizens who will contribute to the country's progress.

CORE VALUES

- Education is the foundation for a successful life.
- All students can learn and achieve academic success.
- School facilities are safe, healthy and clean.
- Parents are involved in their child's education.

OUR
VALUES

Greenview Islamic International School is part of a rapidly expanding market in international education in Malaysia. From a humble beginning with a single class of four students, the school has seen promising growth since its inception in 2010. The passion and dedication of the teachers and staff are the main pulling factors that attract parents to enrol their children in Greenview Islamic International School.

Unique blend

The unique blend that makes Greenview Islamic international School stand out from its competitors is the delicate balance between academic achievement and values education that has helped Greenview students to be **Grade 'A' exam passers** as well as **Grade 'A' persons**. Parents of Greenview students have seen their children transform into self-disciplined and self-motivated individuals.

Greenview has recognized the need to develop positive mind-set among the students as crucial factor to become self-disciplined individuals driven by ambition.

WHO WE ARE

Educational Experience

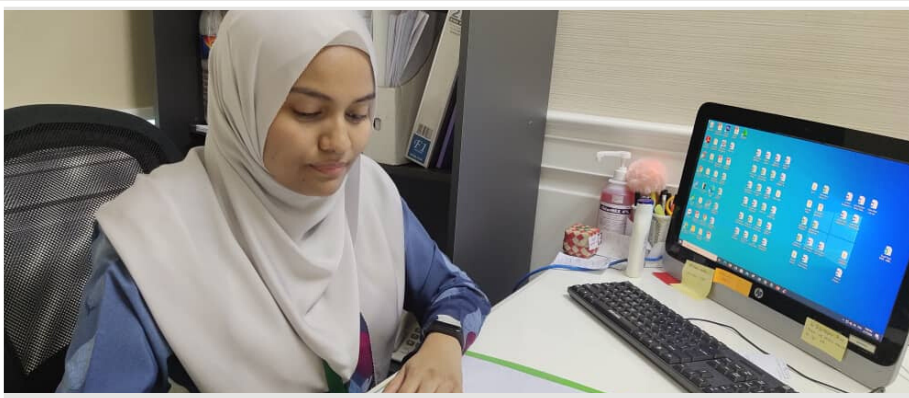

In ensuring that students acquire a well-rounded educational experience, a variety of activities in the form of community service have been designed:

- Sports development and active lifestyle activities
- Appreciation of local and international arts and culture
- Fostering civic-mindedness and a concern for the environmental conservation
- Promoting volunteerism and humanitarian concern
- Recreational activities to foster multicultural dialogue and understanding

Islamic Studies

Our Islamic studies is from Foundation Years right up to the Secondary Level.

ADMISSIONS PROCESS

We follow a transparent admissions system and accept students into the School throughout the year. It is mandatory for the parents to meet our friendly admission crew and our School Principal in order to ensure that:

Cambridge Curriculum

Greenview Islamic School follows the globally recognised Cambridge IGCSE International Programme that gives the school a comprehensive curriculum for Mathematics, English, and Science. Cambridge IGCSE is the world's most valued pre-university qualifications and represents the best in international education. Regularly updated according to changing needs, Cambridge IGCSE encourages enquiry-based approaches to learning.

Islamic Curriculum

Our Islamic Studies Curriculum follows the Jabatan Agama Islam Selangor (JAIS) syllabus and is based on the teachings of the ahli sunnah wal jamaa'ah and is exclusive to the teachings of Imaam Ash-Shaafi'ee. While the core subjects including At-Tawheed and Seerah are taught in English, children memorize important Soorahs of the Qur-aan in the original Arabic language.

OUR SUPPORT

Department of Students Affairs

The primary function of Student Affairs Office is to assist students. Our Department of Students Affairs is in charge of:

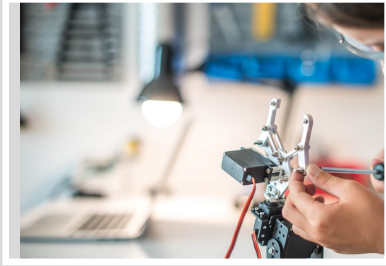

- Student visa and guardian visa
- Orientation for new students
- Communicate official information with parents and students
- Bridging parents with Academic and administrative departments
- Alumni Relations
- Data Management
- Student Health and Wellness

International student community

Currently students from 15 different countries are studying in our school, which includes, Australia, USA, Bangladesh, Pakistan, India, Egypt, Ukraine, Singapore, Indonesia etc. The department of student affairs deals with the processing of student and guardian visa. It provides a variety of services to address the unique needs of our international students. The department of student affairs encourages international students to regard our school as **"home away from home."**
